TUFSDAY EVENING, MAR. 3, 18: 6, LETTER FROM FAUQUIER.

[Correspondence Alexandria Gazette.] MARSHALL, Feb. 29, 1896.—The numerous friends of Dr. Bedford Brown in Fauquier rejoice to learn that by copartnership with Dr. Mc-Guire, jr., this eminent physician and late surgeon of the Southern army will have some help smid his arduous duties. His professional brethren have long regarded the doctor as most worthy in name and accomplishments to perpetuate all of the memories, social and medical, of Dr. Gustavus Brown, of Revolutionary fame, and to have splendid mention made of him, alorg with a fine likeness, in a volume just published, 'Physicians and Surgeons of America,' and also in another publication, "Eminent Men of the District of

'olumbia and of Alexandria." Apart from brief spells of cold weather and the orthodox three freezes, ne record of the present season is that our present winter is exceptionally mild.

The good church folks are at work
for the Maser. There is at Marshall a prosperous Epworth League and prayer meeting; next Tuesday and Wednesday an oyster festival will be held to raise fu ds in behalf of the Baptist Church, a d every Friday afternoon Lenten s rvices are held at the Episcopal

Church. Frogs and English sparrows and the mole have lately put in an appearance as if to be the harbingers of an early

spring. In the way of literature and news we have been kindly favored by friends with copies of volume 2, of official records of the Union and Confederate navies in the late war, report of the commissioner of education for 1892-93, register of the navy and also report of the Surgeon-General Dr. James R. Tryon, all con-taining a deal of most interesting and nstructive reading.

A friend writing of Cuban affairs, says: "The insurgents have destroyed all the cane fields on the sugar plantations in the vicinity of Santiago and of Gaun-tanamo, and no crop will be made this year; at Los Canos, a magnificent estate, there is not a cane standing and every employee of the place has been dis-charged." The late proclamation of the new Captain-General, the writer adds, as caused thousands of Cubans to leave the island, as the majority have brothers or sons among the insurgents, but we have to bow with humble submission and say, Que ta volonte se passe, mon Dieu!"

The average small boy who is attendng our public and other schools in Marshall, declares that he would prefer to trudge through the snow rather than the mud, though with gum boots, he seems to make headway.

To the Golden Gate.

Personally conducted tours via Pennsylvania Railroad will leave New York and Philadelphia for California and return to those cities May 7th. Four and one-half weeks will be allowed in California. An addition to the magnificent train is a through Pullman compartment car. the very best that Pullman compartment car, the very best that the company can supply. Applications should be made to 1196 Broadway, New York, or Room 411, Broad Street Station, Philadelphia

Tours to Florida. In order to give the public an opportunity to visit Florida at a very reasonable cost, the Pennsylvania Railroad Company has arranged for a series of tours to Jacksonville. The company's unexcelled train service, experienced tourist agents and chaperons, and above all, its moderate charges, leave nothing to be desired. The tours allowing two weeks' stay in Florida, will leave on February 25 and March 3. The rate, including trans-portation, meals en route, and Pullman berth on special train, is \$50 from New York, and proportionate rates from other points. For further information apply to ticket agents.

The intense itching and smarting incident to eczema, tetter, salt-rheum, and other diseases of the skin is instantly allayed by applying Chamberlain's Eye and Skin Ointment. Many very bad cases have been permanently cured by it. It is equally efficient for itching piles and a favorite remedy for sore nipples; chapped hands, chil-blains, frost bites, and chronic sore eyes For sale by druggists at 25 cents per box.
